Engagement Summary

This invoice covers professional corporate training services delivered by **NexaLearn Training Solutions** to **Vertex Technologies India Pvt. Ltd.** under the Master Service Agreement dated 01 January 2025. The engagement comprised four instructor-led training modules on **Data Analytics, Python Full Stack, Generative AI Fundamentals, and Agentic AI with LangChain**, conducted at Vertex Learning Centre, Pune, between 02 June 2025 and 13 June 2025. All sessions were delivered in hybrid mode (in-person + live virtual) to a cohort of 32 participants from Vertex's engineering and analytics teams. Hands-on lab environments, course materials, and post-training assessment reports are included in scope.
